

## **SOUTHERN HIGHLANDS CANCER SUPPORT GROUP**

**The Southern Highlands Support Group started in late 2006 under the umbrella of the NSW Cancer Council after an Expression of Interest meeting was called by interested doctors and health workers in the Southern Highlands who saw the need for a support group for cancer sufferers and survivors. As a result of this meeting the Southern Highlands Cancer Support Group was formed.**

**Our Members have all been associated with cancer, either as a patient, a survivor, a carer or a family member and because of this they have an understanding of what each member has or is experiencing and are able to support each other in a meaningful way, through sharing experiences, providing information and generally just being there in an environment which is cheerful, caring and always positive.**

**We have a bi-monthly newsletter for members which keep them up to date and provides interesting articles and information. This newsletter has been made possible by a grant from NSW Cancer Council.**

**THE SOUTHERN HIGHLANDS CANCER SUPPORT GROUP MEETS ON THE THIRD WEDNESDAY OF EVERY MONTH, AT 7 PM IN THE HENRIETTA ROSE ROOM, BENDOOLEY PLACE, BOWRAL (NEAR THE LIBRARY). EVERY SECOND MONTH WE HAVE A GUEST SPEAKER**
